This matter comes before the Public Service Commission of South Carolina (“Commission”) on a Petition by the Office of Regulatory Staff (“ORS”) to revoke the certificates of certain telecommunications providers for failure to file Gross Receipts, USF Reports, and 2012 Annual Reports. The filing of Gross Receipts is required by S.C. Code Ann. §§ 58-3-100, 58-3-540, 58-4-60, and 58-9-370 (Supp. 2012), which is used by the Department of Revenue to annually assess telecommunications providers. Additionally, annual USF Reports are required by Commission Order No. 2001-996 (October 10, 2001), which allows ORS to calculate a provider’s contribution to the South Carolina Universal Service Fund. Last, Annual Reports are required by S.C. Code Ann. § 58-9-370 (Supp. 2012).

A hearing on this matter was conducted on April 10, 2013, in the Commission’s hearing room. ORS was represented by Lessie Hammonds, Esquire, who presented the testimony of Dawn Hipp, Director of the ORS’s Telecommunications, Transportation, Water, and Wastewater Departments. Ms. Hipp submitted lists of those providers that

remained out of compliance with the above filing requirements and requested that the Certificates of Public Convenience and Necessity of those providers be revoked.<sup>1</sup> None of the providers on the lists appeared at the hearing.

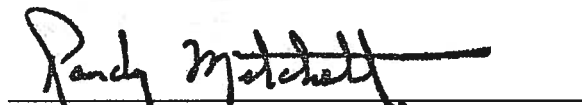

We find and hold that the public interest requires that the Certificates of these telecommunications providers should be and are revoked.

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

  
David A. Wright, Chairman

ATTEST:

  
Randy Mitchell, Vice Chairman  
(SEAL)
